Thank you, Nick.

Andrew, please let me know how to proceed. I look forward to hearing from you!

Danielle,

No need to fill out a separate form. Our block parties are usually smaller and run around \$500 for 50% of permit fees so we can move forward with helping you with \$500 of your permit fees.

Our Council Aidea, (CCed), Andrew Suh, can assist you in disbursing those funds.

Hi Nick.

Attached are the receipts for:

Street Closure: \$2336.56

DOT: \$1490.00

Insurance: \$196.85

Do I need to fill out a separate request form to request

funding for 50% of the permit costs?

Our funding guidelines are described on the
website here: http://davidryu.lacity.org/discretionary_funds_task_force
<http://davidryu.lacity.org/discretionary_funds_task_force>

In particular this is similar to a block party:

Block Parties Policy: The Discretionary Funds
Task Force has recommended a general policy for neighborhood block
parties. Thus, requests for block party funding will usually be swiftly
approved if it requests funds to cover 50% of City permit fees (maximum
allowed by code), coverage of required insurance costs, and up to ten
tables and 100 chairs. Requests for additional funding will undergo
additional review.

Thanks for your response, Nick. We are
operating this event at a loss and do not have the funds to obtain them.
My understanding is that the water barricades are not a requirement but
a recommendation.

Can you tell me what kinda of things you
do provide funding for?

Perhaps we can make a different request
and reallocate funds for the recommended barricades.

Danielle,

We were just able to review your request

and we do not currently provide funding for water barricades for events. As a commercial event, if you have information that you believe means you need further security measures beyond what is provided by the City's standard street permit, we encourage you to obtain them.

We hope you have a great event,

Nick

Hi Nick.

Thank you.

The event is this Sunday. If we are going to order the water barricades with this financial assistance, we will need to know by tomorrow (Thursday) or Friday to place the order. Is that possible?
